

2014 - hottest year on record

# CONCERNED ABOUT THE CLIMATE?

2015 - take action! keep winters cool

## TAKE ACTION! BECOME A COOL PLANET SKIER

Cool Planet Skiers are skiers of all abilities from elite racers to recreational skiers, and are passionate, informed and take action on climate solutions.

**Find Cool Planet Skiers at the American Birkebeiner!**  
Featuring presentation by Dr. James Boulter (Atmospheric Chemist from the University of Wisconsin, Eau Claire)

Thursday, February 19, 6:30 pm - Reception to follow  
Park Theater - Hayward, WI

conversations for climate action

saving winter for future generations

## TAKE ACTION! JOIN A CITIZENS' CLIMATE LOBBY CHAPTER NEAR YOU

Help build a citizen action network to shift the political will toward climate solutions. Join monthly conference calls and action meetings.

**Next meetings: Saturday, February 7 and Saturday, March 7**

Visit [www.citizensclimatelobby-mn.org](http://www.citizensclimatelobby-mn.org) for times and locations.
