

Cool Planet Citizens Climate Lobby Intern

Cool Planet is an Edina based non-profit that informs and inspires people to be fit, have fun, and take action for a healthy and sustainable home, neighborhood and planet. We believe getting outside, connecting with nature and doing what you love leads to deeper citizen engagement and solutions to adapt to our changing climate.

Citizens Climate Lobby (CCL) is a non-profit, grassroots advocacy organization focused on national policies to address climate change. We train and support volunteers to reclaim their democracy and engage elected officials and the media to generate the political will for solutions that will stabilize the Earth's climate.

We are seeking an intern to work with Cool Planet in supporting CCL groups in our region (Minnesota, North Dakota and South Dakota). Cool Planet has partnered with CCL as the most effective way to teach and implement responsible citizenship and work to put a revenue neutral price on carbon at the federal level.

Major Job Responsibilities and Tasks:

- Maintain communication with CCL group leaders
- Support regional coordinator activities (reporting, conference calls, group expansion)
- Seek opportunities for new CCL groups
- Update website and Facebook with regular CCL updates
- Preparation for national CCL conference

Prefer intern with the following qualities:

- Passionate about climate change, climate solutions, and policy work
- Strong communication skills
- Demonstrated leadership abilities
- Effective writing and organizational skills
- Reliable financial and project management skills
- Computer skills including social media
