

Climate Curious?

Come to the...

Edina Youth Climate Summit

Saturday, May 13th

10 am - 2 pm

Edina High School - EPAC & Commons

We will discuss and take action on:

- Making environmental change in your community
- Renewable energy sources
- Making sustainability a part of your daily life
- Career opportunities
- Economic implications of climate change and environmentalism

Come for food, discussion, and interactive workshops!

Thanks to our sponsors:

Funding for this project was provided by Hennepin County through the Green Partners environmental education program.
